

### **Remarks**

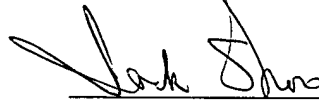

Claims 1, 4 and 5 have been cancelled. Claim 2 which would be allowable if rewritten in independent form including all of the limitations of Claim 1 has been re-presented as Claim 9 and Claims 3, 6, 7, and 8 depend therefrom.

New Claims 10 and 11 contain a number of the patentable features contained in Claim 9 and are believed to be patentable.

It is noted under 4E of the Notice of Non-Compliant Amendment that "represented" is not a proper status identifier. It is respectfully submitted that the use of "re-presented" is appropriate as set forth in 714-3 of the Manual of Patent Examining Procedure examples of claim listing.

It is respectfully submitted that the application is in condition for allowance and such action is solicited.

Respectfully submitted,

---
